

## Super Slimy Edible Gak for Babies and Toddlers

- 2 packages of [gelatin](#) dissolved in 2 cups of hot water
- 3/4 cup of [chia seeds](#) or another seed with that type of texture
- 1 1/2 cups cold water
- 3 cups of corn starch
- 1 cup of flour
- Food Coloring

Chill the mixture in the fridge over night or longer to help gelatin set.

You may need to add extra water or flour until the sludge is the consistency that you desire
